Subject: RE: 09/414,951

Dear Examiner Kyle:

The documents were faxed to the Patent Office at 703 872-9327 on March 17, 2003. In addition, a Certificate of Facsimile was included.

Although duplicate copies are not to be submitted to the Patent Office, I am refaxing today to 703 872-9327 everything again (3rd time) to be entered into the system. This submission will include the Supplemental Response, The Andrew Perlumutter Declaration, along with all certificates of Facsimiles and the receipts from the Patent Office.

I trust that this Response and Declaration will be entered.

Incidentally, our Deposit Account was charged \$465.00 on May 27, 2003 for the 3-month extension which means that the Patent Office did receive the fax.

If you did not fax the documents below to the (703) 872-9327 number of my prior e-mail, they cannot be entered. The documents must be received at that number, logged in and then entered into the file. Submissions to me directly are merely informational. Additionally, you should include the fax equivalent of a certificate of mailing showing the date you sent the original fax.

When the documents are properly received and entered we will determine their effect on the prosecution of the case.

Charles Kyle
